

FILE NOTE**MATTER: 06-0030****12 December 2006****RE: THE CORPORATE TRUSTEES & NORTH COAST CHILDREN'S HOME****SUBJECT:**

Telephone call from Rev. Pat Comden. He said he had had a conversation with Justice Bill Windeyer. Bill Windeyer had referred to Court of Appeal matter Ellis v. Pell and R C Trustees. I checked my notes and saw reference to possible liability of Trustees for actions of Priests as a point of argument. Suggested that we telephone Bill Windeyer for further information if possible name of Solicitors representing R C Church. He also said that as regards suggested draft letter to Nicol Robinson Helletts we should discount the first draft and just rely on the second draft. Possible corporation and material from Stephen Sheaffe's draft.
