**Re: Intention to claim compensation from the Anglican Church**

It is against my better judgment but due to a desperate need to regain my sanity, my health, pay the rent and electricity and purchase decent food to keep that health, I will now accept every cent due to me for the physical, sexual and psychological abuse I suffered at the hands of various St. Andrew's Anglican Church clergy and various Children's Home staff, while I resided in the Church of England North Coast Children's Home at 13 Keen Street Lismore, NSW.

expect the relevant papers will be forwarded to me as soon as possible.

Regards,

**Richard "Tommy" Campion**

**Footnotes:**

For the last 14 months I have written a letter a week to Bishop Keith Slater simply asking for him to meet with former DOGS manager, Mr. Tony Madden J.P. and I to discuss the duty of care of the Children's Home, the abuse of over 100 children, and that ridiculous fictitious "community group" lie.

As I am serious about my request I am writing to you as I am concerned he will not answer this letter. I expect you will act on my request.
