# **MEMBER PROTECTION POLICY TEMPLATE FOR NATIONAL SPORTING ORGANISATIONS**

**VERSION 9.1 (April 2016)**

## **IMPORTANT NOTE**

For this policy and other policies to be binding on national sporting organisations and their member's organisations, members and other relevant persons, the policy needs to be:

- formally incorporated or adopted into a national sporting organisation's constituent documents (being the Memorandum and Articles of Association or Constitution of a company, or the rules of an incorporated association) or the rules, regulations or by-laws made under the constituent documents; and
- agreed to as part of a membership application, agreement, form or other contract with the national sporting organisation, which relevant member organisations, members and other persons intended to come within the scope of the policy are required to sign.

The national sporting organisation should ensure that state, regional, district and other affiliated associations and clubs formally adopt the national policy (with any relevant modifications to take account of state/territory legislative or other requirements) in accordance with that organisation's constituent documents.

## **Guidelines for using the Member Protection Policy template**

---

### **Why do sports need a Member Protection Policy?**

National sporting organisations (NSOs) have a responsibility to make sure that their sports are safe, fair and inclusive for everyone involved. NSOs also have legal obligations to prevent and address discrimination and harassment and to protect children from abuse.

A Member Protection Policy is an important tool that outlines how a NSO can seek to meet these obligations and otherwise act and operate in an appropriate manner.

The Australian Sports Commission (ASC)'s funding arrangements with NSOs require those organisations to develop, adopt, implement and regularly update a Member Protection Policy so that they comply with the law and facilitate a safe and positive environment for all those involved in their sport and activities.

### **How does this template assist national sporting organisations?**

This Member Protection Policy template is designed to assist NSOs to develop and implement their own national policy.

The Member Protection Policy template provides a general framework to address certain key legal and organisational requirements. The template is intended to be adapted to meet the specific needs and requirements of the particular NSO.

State, Regional, District and other associations and clubs associated with the relevant sport should also have a Member Protection Policy. Those organisations should base their policy on the national policy of the relevant NSO, modified as needed based on their particular circumstances and state or territory legislative requirements.

A simplified "club version" of a Member Protection Policy template is available from the ASC website at: [http://www.ausport.gov.au/supporting/nso/member\\_protection](http://www.ausport.gov.au/supporting/nso/member_protection).

### **What information does the Member Protection Policy template include?**

The Member Protection Policy template includes:

- a statement about the organisation's commitment to uphold its core values and create a safe, fair and inclusive environment for everyone associated with your organisation and sport;
- an outline of some of the key responsibilities and obligations of persons associated with the organisation;
- position statements on a range of key areas relating to safe, fair and inclusive environments, such as child protection, anti-discrimination and harassment;
- a description of the organisation's complaint handling procedures for complaints arising in those key areas; and
- a description of the disciplinary measures associated with a breach of the policy.

**The template is complemented by a range of documents** that can be attached to the policy, including:

- codes of behaviour;
- Working with Children Check and other employment screening requirements;

- complaint handling procedures;
- reporting documents.

These templates provide information about how the organisation will implement the policy.

NSOs can select and amend, if necessary, those attachments that are relevant to their organisation and include them in their finalised Member Protection Policy.

This template is updated on a regular basis so that it remains relevant to the needs and requirements of NSOs, however NSOs should always check the document against applicable current laws at the time the policy is implemented or updated. A summary of changes made to the template since it was first developed is available at:

[www.ausport.gov.au/supporting/nso/member\\_protection](http://www.ausport.gov.au/supporting/nso/member_protection).

## How to use this template?

**Step 1:** Review and customise the template for the requirements of your NSO.

**ALL sections that appear in brackets *[words in italics]* must be amended or deleted so the policy is relevant to the circumstances and requirements of your organisation.**

**Step 2:** Consider the requirements/expectations you have for your member associations, clubs and members, including:

- the types of matters and decisions you want to be notified of, involved in or handled at the national level; and
- any other policies, procedures or actions that will assist in ensuring your sport is safe, fair and inclusive for everyone involved .

**Step 3:** Have a lawyer review the customised template you prepare to ensure it complies with your constituent documents and does not conflict with any other existing applicable policies, rules, regulations, by-laws and procedures or with the laws or regulations of the Commonwealth or any state or territory.

**Step 4:** Ensure the policy is:

- formally incorporated or adopted into your NSO's constituent document and/or rules, regulations and by-laws, and;
- agreed to by members organisations, members and other relevant persons, such as via annual membership applications or express agreement.

You should make sure that everyone associated with your sport, including members, affiliated associations and clubs, is aware of and agrees to abide by the national Member Protection Policy. Display the policy prominently on your website and look for other ways to promote the policy to your members.

Legal requirements change regularly so it is important that you establish a process to regularly review and update the policy. A review should be undertaken at least once every year.

- 5.2 comply with all relevant provisions of the policy, including any codes of conduct and the steps for making a complaint or reporting possible child abuse set out in this policy ;
- 5.3 consent to the screening requirements set out in this policy, and any state/territory Working with Children Checks if the person holds or applies for a role that involves regular unsupervised contact with a child or young person under the age of 18 or where otherwise required by law;
- 5.4 place the safety and welfare of children above other considerations;
- 5.5 be accountable for their behaviour: and,
- 5.6 comply with any decisions and/or disciplinary measures imposed under this policy.

#### 6. Position statements

##### 6.1 Child protection

*[Insert name of NSO]* is committed to the safety and well-being of all children and young people who participate in our sport or access our services. We support the rights of the child and will act at all times to ensure that a child-safe environment is maintained.

We acknowledge the valuable contribution made by our staff, members and volunteers and we encourage their active participation in providing a safe, fair and inclusive environment for all participants.

##### 6.1.1 Identify and analyse risk of harm

We will develop and implement a risk management strategy, including a review of our existing child protection practices, to determine how child-safe our organisation is and to identify any additional steps we can take to minimise and prevent the risk of harm to children because of the actions of an employee, volunteer or another person.

##### 6.1.2 Develop codes of behaviour

We will develop and promote a code of behaviour that sets out the conduct we expect of adults when they deal and interact with children involved in our sport, especially

those in our care. We will also implement a code of behaviour to promote appropriate conduct between children.

These codes will clearly describe professional boundaries, ethical behaviour and unacceptable behavior. (Refer to the attachments in Part B of this policy.)

### **6.1.3 Choose suitable employees and volunteers**

We will take all reasonable steps to ensure that our organisation engages suitable and appropriate people to work with children, especially those in positions that involve regular unsupervised contact with children. This will include using a range of screening measures.

We will ensure that Working with Children Checks are conducted for all employees and volunteers who work with children, where an assessment is required by law. If a criminal history report is obtained as part of their screening process, we will handle this information confidentially and in accordance with the relevant legal requirements. (Refer to the attachments in Part C of this policy.)

### **6.1.4 Support, train, supervise and enhance performance**

We will ensure that all our employees and volunteers who work with children have ongoing supervision, support and training. Our goal is to develop their skills and capacity and to enhance their performance so we can maintain a child-safe environment in our sport.

### **6.1.5: Empower and promote the participation of children**

We will encourage children and young people to be involved in developing and maintaining a child-safe environment for our sport.

### **6.1.6: Report and respond appropriately to suspected abuse and neglect**

We will ensure that all our employees and volunteers are able to identify and respond appropriately to children at risk of harm and that they are aware of their responsibilities under state laws to make a report if they suspect on reasonable grounds that a child has been, or is being, abused or neglected. (Refer to the attachments in Part E of this policy.)

Further, if any person believes that another person or organisation bound by this policy is acting inappropriately towards a child, or is in breach of this policy, he or she may make an internal complaint to us. (Refer to the attachments in Part D of this policy.)

## **6.2 Taking images of children**

There is a risk that Images of children may be used inappropriately or illegally. *[Insert name of NSO]* requires that individuals and associations, wherever possible, obtain permission from a child's parent/guardian before taking an image of a child that is not their own. They should also make sure the parent/guardian understands how the image will be used.

To respect people's privacy, we do not allow camera phones, videos and cameras to be used inside changing areas, showers and toilets which we control or are used in connection with our sport.

When using a photo of a child, we will not name or identify the child or publish personal information, such as residential address, email address or telephone number, without the consent of the child's parent/guardian. We will not provide information about a child's hobbies, interests, school or the like, as this can be used by paedophiles or other persons to "groom" a child.

We will only use images of children that are relevant to our sport and we will ensure that they are suitably clothed in a manner that promotes participation in the sport. We will seek permission from the parents/guardians of the children before using the images. We require our member associations and clubs to do likewise.

### **6.3 Anti-discrimination and harassment**

*[Insert name of NSO]* is committed to providing an environment in which people are treated fairly and equitably and that is, as far as practicable, free from all forms of discrimination and harassment.

We recognise that people may not be able to enjoy themselves or perform at their best if they are treated unfairly, discriminated against or harassed.

**6.3.1 Discrimination** Unlawful discrimination involves the less favourable treatment of a person on the basis of one or more of the personal characteristics protected by state or federal anti-discrimination laws.

The personal characteristics protected by anti-discrimination laws include attributes such as race, age, disability, gender and race. The full list of protected personal characteristics is in the “Definitions” set out in the Dictionary of Terms.

Discrimination can be either direct or indirect.

- **Direct** discrimination occurs if a person treats, or proposes to treat, a person with a protected personal characteristic unfavourably because of that personal characteristic.
- **Indirect** discrimination occurs if a person imposes, or proposes to impose, a requirement, condition or practice that will disadvantage a person with a protected personal characteristic and that requirement, condition or practice is not reasonable.

For the purposes of determining discrimination, the offender’s awareness and motive are irrelevant.

### **6.3.2 Harassment**

Harassment is any unwelcome conduct, verbal or physical, that intimidates, offends or humiliates another person and which happens because a person has a certain personal characteristic protected by State or Federal anti-discrimination legislation.

The offensive behaviour does not have to take place a number of times, a single incident can constitute harassment.

Sexual harassment is one type of harassment. Sexual harassment is unwelcome conduct, remarks or innuendo of a sexual nature. It covers a wide range of behaviours and can be verbal, written, visual or physical. Sexual harassment is not limited to members of the opposite sex.

### **6.3.3 Prohibition against discrimination and harassment**

We prohibit all forms of harassment and discrimination based on the personal characteristics listed in the “Definitions” set out in the Dictionary of Terms *[see clause 10]*.

Any person who believes they are being, or have been, harassed or discriminated against by another person or organisation bound by this policy is encouraged to raise their concerns with us. A person may make an internal complaint, and in some circumstances, they may also be able to make a complaint to an external organisation. (Refer to the attachments in Part D of this policy.)

#### 6.4 Intimate relationships

*[Insert name of NSO]* understands that consensual intimate relationships (including, but not limited to sexual relationships) between coaches or officials and adult athletes may take place legally. However, this policy will help ensure that the expectations of coaches or officials are clear and, to ensure that if an intimate relationship does exist or develop between a coach or official and an adult athlete, that relationship will be managed in an appropriate manner.

Coaches and officials are required to conduct themselves in a professional and appropriate manner in all interactions with athletes. In particular, they must ensure that they treat athletes in a respectful and fair manner, and that they do not engage in sexual harassment, bullying, favoritism or exploitation.

**We** take the position that consensual intimate relationships between coaches or officials and the adult athletes they coach should be avoided as they can have harmful effects on the athlete involved, on other athletes and coaches and on the sport's public image. These relationships can also be perceived to be exploitative due to the differences in authority, power, maturity, status, influence and dependence between the coach or official and the athlete.

We recommend that if an athlete attempts to initiate an intimate relationship with a coach or official, the coach or official should discourage the athlete's approach and explain to the athlete why such a relationship is not appropriate.

If a consensual intimate relationship does exist or develop between an adult athlete and a coach or official, the coach or official is expected to ensure that the relationship is appropriate and that it does not compromise impartiality, professional standards or the relationship of trust the coach or official has with the athlete and/or other athletes.

In assessing the appropriateness of an intimate relationship between a coach or official and an adult athlete, relevant factors include, but are not limited to:

- the relative age and social maturity of the athlete;
- any potential vulnerability of the athlete;
- any financial and/or emotional dependence of the athlete on the coach or official;
- the ability of the coach or official to influence the progress, outcomes or progression of the athlete's performance and/or career;
- the extent of power imbalance between the athlete and coach or official; and the likelihood of the relationship having an adverse impact on the athlete and/or other athletes.

It will often be difficult for a coach or official involved in an intimate relationship with an adult athlete to make an objective assessment of its appropriateness and accordingly they are encouraged to seek advice from *[the Member Protection Information Officer, Complaints Manager or other official]* to ensure that they have not involved themselves in inappropriate or unprofessional conduct.

If it is determined that an intimate relationship between a coach or official and an adult athlete is inappropriate or unprofessional we may take disciplinary action against the coach or official up to and including dismissal. Action may also be taken to stop the coaching relationship with the athlete. This could include a transfer, a request for resignation or dismissal from coaching duties.

If a coach, official or athlete believes they are being, or have been, harassed they are encouraged to seek information and support from [*the Member Protection Information Officer, Complaints Manager or other official*]. Our complaints procedure is outlined in Part D of this policy.

## **6.5 Pregnancy**

[*Insert name of NSO*] is committed to treating pregnant women fairly and to removing any unreasonable barriers to their full participation in our sport. We will not tolerate any discrimination or harassment against pregnant women.

[*Insert name of NSO*] will take reasonable care to ensure the continuing safety, health and wellbeing of pregnant women. We will advise pregnant women that there may be risks involved with their continuing participation in sport, and we will encourage them to obtain medical advice about those risks. Pregnant women should be aware that their own health and wellbeing, and that of their unborn child, is of utmost importance in their decision-making about the extent they choose to participate in our sport.

We encourage all pregnant women to talk with their medical advisers, make themselves aware of the facts about pregnancy in sport and ensure that they make informed decisions about their participation in our sport. Pregnant women should make these decisions themselves, in consultation with their medical advisers and in discussion with [*Insert name of NSO*].

We will only require pregnant women to sign a disclaimer in relation to their participation in our sport whilst they are pregnant if all other participants are required to sign one in similar circumstances. We will not require women to undertake a pregnancy test.

If a pregnant woman believes she is being, or has been, harassed or discriminated against by another person or organisation bound by this Policy, she may make a complaint. (Refer to the attachments in Part D of this policy.)

## **6.6 Gender identity**

Gender identity means the gender-related identity, appearance or mannerisms or other gender-related characteristics of a person. This includes the way people express or present their gender and recognises that a person's gender identity may be an identity other than male or female. Some terms used to describe a person's gender identity include trans, transgender and gender diverse.

### **6.6.1 Gender identity discrimination and harassment**

Federal, state and territory anti-discrimination laws provide protection from discrimination against people on the basis of their gender identity. (See definition in Dictionary of terms).

[*Insert name of NSO*] is committed to providing a safe, fair and inclusive sporting environment all where people can contribute and participate. We will not tolerate any unlawful discrimination or harassment of a person because of their gender identity.

All persons, regardless of gender identity, are entitled to be treated fairly and with dignity and respect at all times. We will not tolerate any unlawful discrimination or harassment of a person because of their gender identity. This includes discrimination or harassment of a person who is transgender or transsexual, who is assumed to be transgender or transsexual or has an association with someone who has or is assumed to be transgender or transsexual. (Refer to the attachments in Part D of this policy.)

We expect all people bound by this policy to act with sensitivity when a person is undergoing gender transition/affirmation.

If any person believes that they are being, or have been, harassed or discriminated against by another person or organisation bound by this policy because of their gender identity, they may make a complaint.

### **6.6.2 Participation in sport**

*[Insert name of NSO]* recognises that excluding people from participating in sporting events and activities because of their gender identity may have significant implications for their health, wellbeing and involvement in community life. We are committed to supporting participation in our sport on the basis of the gender with which a person identifies.

If issues of performance advantage arise, we will consider whether the established discrimination exceptions for participation in sport are relevant in the circumstances. Discrimination is unlawful unless an exception applies.

*For Olympic Sports Only [Insert name of NSO]* is aware that the International Olympic Committee (IOC) has established criteria for selection and participation in the Olympic Games. Where a transgender person intends to compete at an elite level, we will encourage them to obtain advice about the IOC's criteria which may differ from the position we have taken.

Drug testing procedures and prohibitions also apply to people who identify as transgender. A person receiving treatment involving a Prohibited Substance or Method, as described on the World Anti-Doping Agency's Prohibited List, should apply for a standard Therapeutic Use Exemption.

### **6.6.3. Intersex status**

Federal anti-discrimination law, and some state and territory anti-discrimination laws, provide protection from discrimination against a person on the basis of their intersex status. (See Dictionary of terms).

*[Insert name of NSO]* is committed to providing a safe, fair and inclusive sporting environment where all people can contribute and participate. We will not tolerate any unlawful discrimination or harassment of a person because of their intersex status.

### **6.7 Responsible service and consumption of alcohol**

*[Insert name of NSO]* is committed to conducting sporting and social events in a manner that promotes the responsible service and consumption of alcohol. We also recommend that state associations and member clubs follow strict guidelines regarding the service and consumption of alcohol.

In general, our policy is that:

- alcohol should not be available or consumed at sporting events involving children and young people under the age of 18;
- alcohol-free social events be provided for young people and families;
- food and low-alcohol and non-alcoholic drinks be available at events we hold or endorse where alcohol is served;
- a staff member is present at events we hold or endorse where alcohol is served to ensure appropriate practices in respect of the consumption of alcohol are followed;
- safe transport options be promoted as part of any event we hold or endorse where alcohol is served.

*[Further guidance on developing an Alcohol Policy is available at: [www.playbytherules.net.au/resources/club-toolkit.](http://www.playbytherules.net.au/resources/club-toolkit.)]*

## **6.8 Smoke-free environment**

*[Insert name of NSO]* is committed to providing a safe and healthy environment at all sporting and social events that we hold or endorse.

In general, our policy is that:

- no smoking shall occur at or near sporting events involving children and young people under the age of 18. This policy shall apply to coaches, players, trainers, officials and volunteers;
- social events shall be smoke-free, with smoking permitted at designated outdoor smoking areas; and
- coaches, officials, trainers, volunteers and players will refrain from smoking while they are involved in an official capacity in our sport, both on and off the field.

## **6.9 Bullying**

*[Insert name of NSO]* is committed to providing an environment that is free from bullying. We understand that bullying has the potential to result in significant negative consequences for an individual's health and wellbeing, and we regard bullying in all forms as unacceptable in our sport.

Bullying is characterised by repeated, unreasonable behaviour directed at a person, or group of persons, that creates a risk to health and safety. Bullying behaviour is that which a reasonable person in the circumstances would expect to victimise, humiliate, undermine, threaten, degrade, offend or intimidate a person. Bullying behaviour can include actions of an individual or a group.

Whilst generally characterised by repeated behaviours, one-off instances can amount to bullying.

The following types of behaviour, where repeated or occurring as part of a pattern of behaviour, would be considered bullying:

- verbal abuse including shouting, swearing, teasing, making belittling remarks or persistent unjustified criticism;
- excluding or isolating a group or person;
- spreading malicious rumours; or
- psychological harassment such as intimidation.

Bullying includes cyber-bullying which occurs through the use of technology. New technologies and communication tools, such as smart phones and social networking websites, have greatly increased the potential for people to be bullied through unwanted and inappropriate comments. *[Insert name of NSO]* will not tolerate abusive, discriminatory, intimidating or offensive statements being made online. Frustration at a

referee, teammate, coach or sporting body should never be communicated on social networking websites. These issues should instead be addressed – in a written or verbal statement or a complaint – to the relevant controlling club, league or peak sporting body.

If any person believes they are being, or have been, bullied by another person or organisation bound by this policy, he or she may make a complaint. (Refer to the attachments in Part D of this policy.)

### **6.10 Social networking**

*[Insert name of NSO]* acknowledges the enormous value of social networking to promote our sport and celebrate the achievements and success of the people involved in our sport.

Social networking refers to any interactive website or technology that enables people to communicate and/or share content via the internet. This includes social networking websites such as Facebook and Twitter.

We expect all people bound by this policy to conduct themselves appropriately when using social networking sites to share information related to our sport.

In particular, social media activity including, but not limited to, postings, blogs, status updates, and tweets:

- must not contain material which is, or has the potential to be, offensive, aggressive, defamatory, threatening, discriminatory, obscene, profane, harassing, embarrassing, intimidating, sexually explicit, bullying, hateful, racist, sexist or otherwise inappropriate;
- must not contain material which is inaccurate, misleading or fraudulent;
- must not contain material which is in breach of laws, court orders, undertakings or contracts;
- should respect and maintain the privacy of others; and
- should promote the sport in a positive way.

*[Further guidance on developing a Communications Policy is available at: [www.playbytherules.net.au/resources/club-toolkit](http://www.playbytherules.net.au/resources/club-toolkit).]*

## **7. Complaints procedures**

### **7.1 Handling complaints**

*[Insert name of NSO]* aims to provide a simple, confidential and trustworthy procedure for resolving complaints based on the principles of procedural fairness.

Any person (a complainant) may report a complaint about a person, people or organisation bound by this policy (respondent) if they feel they have been discriminated against, harassed, bullied or there has been any other breach of this policy.

In the first instance, complaints should be reported to the *[insert relevant official e.g. Member Protection Information Officer, Complaints Manager, CEO]*.

*[If a complaint relates to behaviour or an incident that occurred at the:*

- *state level, or involves people operating at the state level, then the complaint should be reported to and handled by the relevant state association in the first instance*
- *club level, or involves people operating at the club level, then the complaint should be reported to and handled by the relevant club in the first instance.*

*Only matters that relate to, or which occurred at, the national level, as well as serious cases referred from the state and club level, should be dealt with by the national body.]*

A complaint may be handled informally or formally. The complainant may indicate his or her preferred option and the *[insert relevant official e.g. Member Protection Information Officer, Complaints Manager, CEO]* should consider whether that is an appropriate way to handle the particular complaint.. For example, the law may require that the complaint/allegation be reported to an appropriate authority.

All complaints will be dealt with promptly, seriously, sensitively and confidentially. Our procedures for handling and resolving complaints are outlined in Attachment *[D1]*.

Individuals and organisations may also seek to have their complaint handled by an external agency under anti-discrimination, child protection, criminal or other relevant legislation.

## 7.2 Improper complaints and victimisation

*[Insert name of NSO]* aims to ensure that our complaints procedure has integrity and is free of unfair repercussions or victimisation against any person making a complaint.

We will take all necessary steps to make sure that people involved in a complaint are not victimised. Disciplinary measures may be undertaken in respect of a person who harasses or victimises another person for making a complaint or supporting another person's complaint.

If at any point in the complaint handling process the *[insert relevant official e.g. Member Protection Information Officer, Complaints Manager, CEO]* considers that a complainant has knowingly made an untrue complaint, or the complaint is malicious or inappropriately intended to cause distress to the respondent, the matter may be referred in writing to the *[insert relevant official/committee/Tribunal]* for review and appropriate action, including possible disciplinary action against the complainant.

## 7.3 Mediation

*[Insert name of NSO]* aims to resolve complaints quickly and fairly. Complaints may be resolved by agreement between the people involved with no need for disciplinary action.

Mediation is a confidential process that allows those involved in a complaint to discuss the issues or incident in question and come up with mutually agreed solutions. It may occur before or after the investigation of a complaint.

If a complainant wishes to resolve the complaint with the help of a mediator, the *[insert relevant official e.g. Member Protection Information Officer, Complaints Manager]* will, in consultation with the complainant, arrange for an independent mediator where possible. We *[will/will not]* allow lawyers to participate in the mediation process.

More information on the mediation process is outlined in Attachment *[D2]*.

## 7.4 Tribunals

In accordance with *[Insert name of NSO] rules* a Tribunal may be convened to hear a proceeding:

- referred to it by *[CEO or other designated official]*
- *[referred to it or escalated by a state association] [because of the serious nature of the complaint, because it was unable to be resolved at the state level or because the policy of the state association directs it to be]*
- *for an alleged breach of this policy*.

Our Tribunal procedure is outlined in Attachment *[D4]*.

A respondent may lodge an appeal to the Appeal Tribunal in respect of a Tribunal decision. The decision of the Appeal Tribunal is final and binding on the people involved. Our appeals process is outlined in Attachment *[D4]*.

Every organisation bound by this policy will recognise and enforce any decision of a Tribunal or Appeal Tribunal under this policy.

*[Note: NSOs must ensure that this procedure accurately reflects their tribunal and appeal rules, constituent documents and other rules, regulations or by-laws.]*

*It may therefore be difficult for you to discipline a parent/guardian or spectator under this policy.*

*NSOs, state associations and individual clubs are encouraged to seek that all parents, coaches, officials, administrators and other relevant persons sign an agreement to be bound by this policy and/or any code of behaviour.]*

Individuals travelling with children and young people to another state or territory in a work-related capacity must comply with the screening requirements of that particular state or territory.

This may include, but is not limited to, hitting, shaking or other physical harm; giving a child alcohol or drugs; or training that exceeds the child's development or maturity.
- **sexual abuse**, which occurs when an adult, other child, or adolescent uses their power or authority to involve a child in a sexual activity or any other inappropriate conduct of a sexual nature (e.g. sexual intercourse, masturbation, oral sex, pornography, including child pornography, or inappropriate touching or conversations).

Some exceptions to state, territory and federal anti-discrimination law apply, including exceptions for sporting activities, such as:

- holding a competitive sporting activity for a specific age or age group (e.g. only those who are under the age of 15 years);
- excluding people on the basis of their 'excluding people on the basis of their sex and/or gender identity status from participation in a competitive sporting activity where the strength, stamina or physique of competitors is relevant to the specific activity (note that this does not apply to activity by children who are under the age of 12 years); and

**Victimisation** means treating someone unfairly or unfavorably, or threatening to do so, because that person has, or intends to, pursue their right to make any complaint, including a complaint under government legislation (e.g. anti-discrimination legislation) or under this policy, or for supporting another person to make complaint.

**Vilification** means behaviour that occurs in public which incites hatred towards, serious contempt for, or revulsion or severe ridicule of a person or group of people because that person or persons have a particular personal characteristic. **Travelling to other states or territories**

It is important to remember that when travelling to other states or territories, representatives of sporting organisations must comply with the legislative requirements of that particular state or territory.

In certain jurisdictions, temporary, time limited exemptions from working with children checks may be available for interstate visitors with a Working with Children Check in their home state.

The laws providing interstate exemptions are not consistent across Australia.

If an employee or volunteer for your organisation is travelling interstate to do work that would normally require a working for children check, you will need to check the relevant requirements of that state or territory.

## Attachment D1: COMPLAINTS PROCEDURE

---

*[Insert name of NSO]* is committed to supporting people associated with our sport to make and resolve any complaints they may have in a fair, timely and effective way.

**We will endeavour to deal with complaints on a confidential basis.** We will not provide information about the complaint to another person without the complainant's consent, except if the law requires us disclose this information or it is necessary to properly deal with the complaint. To ensure fairness for everyone involved, we will provide the full details of the complaint to the person or people against whom the complaint has been made and ask for their response. As a result, it may be difficult for us to resolve complaints made anonymously.

We will provide **informal and formal procedures** to deal with complaints. Individuals and organisations can also make **complaints to external organisations** under anti-discrimination, child protection and other relevant laws.

### Informal approaches

#### **Step 1: Talk with the other person** (if safe, reasonable and appropriate)

If you feel confident and comfortable to do so, you can approach the other person to discuss the issues and try and resolve the problem directly.

#### **Step 2: Contact a Member Protection Information Officer**

We encourage you to talk with one of our Member Protection Information Officers (MPIOs) *[or insert designated official/s]* if:

- step 1 (above) is not appropriate;
- you are not sure how to handle the problem by yourself;
- you want to talk confidentially with someone and find out what options are available to address your concern; or
- the concern continues after you approached the other person.

The names and contact details for our MPIOs are available at *[insert website or wherever else this information can be found]*.

The MPIO *[or insert designated official/s]* will:

- ask how you would like your concern to be resolved and if you need support
- seek to provide different options for you to address your concern
- act as a support person, if you wish
- refer you to an appropriate person (e.g. a mediator) to help you address your concern, if appropriate
- inform the relevant government authorities and/or police, if required by law to do so
- where possible and appropriate, maintain confidentiality.

#### **Step 3: Decide how to address your concern**

After talking with the MPIO *[or insert designated official/s]*, you may decide:

- there is no problem;
- the problem is minor and you do not wish to take the matter forward;
- to try and resolve the problem yourself, with or without a support person;
- to resolve the problem with the help of someone impartial, such as a mediator; or
- to resolve the matter through a formal process.

## Formal approaches

### Step 4: Making a formal complaint

If it is not possible or appropriate to resolve your complaint through an informal process, you may:

- make a formal complaint in writing to the *[insert CEO, Complaints Manager or other designated official. Note: This person must have the necessary management authority]*, or
- approach a relevant external agency, such as an anti-discrimination or equal opportunity commission, for advice and assistance.

After receiving a formal complaint, and based on the material you provide, the *[insert designated official]* will decide whether:

- he or she is the most appropriate person to receive and handle the complaint;
- the nature and seriousness of the complaint requires a formal resolution procedure;
- to refer the complaint to **mediation**;
- to appoint a person to **investigate** the complaint;
- to refer the complaint to a **tribunal hearing**;
- to refer the matter to the **police or other appropriate authority**; and/or
- to implement any interim arrangements that will apply until the complaint process is completed.

In dealing with your formal complaint, the *[insert designated official]* will take into account:

- whether he or she has had any personal involvement in the circumstances and if so, whether it is appropriate someone else should handle the complaint;
- your wishes, and the wishes of the respondent, regarding how the complaint should be handled;
- the relationship between you and the respondent (e.g. an actual or perceived power imbalance between you and the respondent);
- whether the facts of the complaint are in dispute; and
- the urgency of the complaint, including the possibility that you might face further unacceptable behaviour while the complaint process is underway.

If the *[insert designated official]* is the appropriate person to handle the complaint, he or she will, where appropriate and/or necessary:

- provide the information received from you to the other person(s) involved and ask for a response;
- decide if there is enough information to determine whether the matter alleged in your complaint did or did not occur; and/or
- determine what, if any, further action to take, including referring the matter for investigation or disciplinary action in accordance with this policy.

### Step 5: Investigating the complaint

In some cases, an investigation may be required to determine the facts surrounding the complaint. Our investigations procedure is outlined in *[Attachment D3]*.

Following the investigation, a written report will be provided to *[insert designated official/tribunal]*.

- If the complaint is referred to **mediation**, we will follow the steps outlined in *[Attachment D2]* or as agreed by you, the respondent and the mediator.
- If the complaint is referred to a **tribunal hearing**, the hearing will be conducted according to the steps outlined in *[Attachment D4]*.
- If the complaint is referred to the **police or another external agency**, we will endeavour to provide all reasonable assistance required by the police or the agency.

*[Any costs incurred by us relating to the complaint process set out in this policy (e.g. investigation, mediation and/or a tribunal hearing) are to be met by [insert relevant person/organisation], unless otherwise stated.]*

#### **Step 6: Reconsidering a complaint or appealing a decision**

If the matter is referred to mediation and is not resolved at mediation, you may request that *[insert designated official]* reconsider the complaint in accordance with Step 3.

In accordance with *[Insert name of NSO] rules* you or the respondent(s) may also appeal a decision made at a tribunal hearing. The grounds and process for appeals are set out in *[Attachment D4]*.

#### **Step 7: Documenting the resolution**

The *[insert designated official]* will record the complaint, the steps taken to resolve it and the outcome. This information will be stored in a confidential and secure place. If the complaint was dealt with at the state/district level, the information will be stored by the state association. If the matter is of a serious nature, or if it was dealt with at the national level, the information will be stored by *[insert name of NSO]* and a copy stored by the state association.

#### **Approaching external organisations**

If you feel that you have been harassed or discriminated against, you can seek advice from your state or territory anti-discrimination or equal opportunity commission. There is no obligation to make a formal complaint. However, if the commission advises you that the issues appear to be within its jurisdiction, you may choose to lodge a formal complaint with the commission.

The commission may investigate your complaint. The commission may also attempt to conciliate the complaint on a confidential basis. If this fails, or if it is not appropriate, the complaint may go to a formal hearing. The tribunal will make a finding and decide what action, if any, will be taken.

If you do lodge a complaint with the commission, an appropriate person from our organisation (e.g. an MPIO) will be available to support you during the process. You may also wish to have a legal representation, particularly if the complaint goes to a formal hearing.

**Contact details for the state and territory anti-discrimination and equal opportunity commissions** are available on the Play by the Rules website:

<http://www.playbytherules.net.au/resources/quick-reference-guide>.

Serious incidents, such as assault or sexual assault, should be reported to the police.

## Attachment D2: MEDIATION

---

Mediation is a process that seeks to resolve complaints with the assistance of an impartial person – the mediator.

The mediator does not decide who is right or wrong and does not tell either side what they must do. Instead, he or she helps those involved to discuss the issues and seeks to facilitate a mutually agreeable solution.

Our approach to mediation follows the steps set out below.

1. The *[insert CEO or other designated official]* will appoint an appropriate mediator to help resolve the complaint. This will be done under the direction of *[insert name of NSO]* and in consultation with the complainant and the respondent(s). The mediator will be an independent person in the context of the complaint, however this does not preclude a person with an association with *[insert name of NSO]* acting as mediator.
2. The mediator will talk with the complainant and respondent(s) about how the mediation will take place and who will participate. At a minimum, the mediator will prepare an agenda of issues to be discussed.
3. All issues raised during mediation will be treated confidentially. We also respect the rights of the complainant and the respondent(s) to pursue an alternative process if the complaint is not resolved.
4. If the complaint is resolved by mediation, where appropriate the mediator may seek to ensure the parties execute a document that sets out the agreement that has been reached. This agreement will be signed by the complainant and the respondent(s). We expect the parties involved to respect and comply with the terms of the agreement.
5. If the complaint is not resolved by mediation, the complainant may:
  - write to *[insert CEO or other designated official]* to request that the *[insert CEO or other designated official]* reconsider the complaint; and
  - approach any relevant external agency, such as an anti-discrimination or equal opportunity commission, to resolve the matter.

We recognise that there are some **situations where mediation may not be appropriate**, including:

- when the people involved have completely different versions of the incident;
- when one or both parties are unwilling to attempt mediation;
  
- when there is a real or perceived power imbalance between the people involved;
- matters that involve serious allegations.

## Attachment D3: INVESTIGATION PROCESS

---

There will be times when a complaint will need to be investigated and information gathered.

An investigation helps determine the facts relating to the incident, if requested, recommendations as to possible findings and next steps.

Any investigation we conduct will be fair to all people involved. The investigation process will be undertaken by an unbiased person.

If we decide that a complaint should be investigated, we will follow the steps outlined below.

1. We will provide a written brief to the investigator that sets out the terms of engagement and his or her roles and responsibilities.
2. The investigator may:
  - interview the complainant and record the interview in writing;
  - provide full details of the complaint to the respondent(s) so that they can respond
  - interview the respondent(s) to allow them to answer the complaint and record the interview in writing;
  - obtain statements from witnesses and collect other relevant evidence;
  - make a finding as to whether the complaint is:
    - **substantiated** (there is sufficient evidence to support the complaint)
    - **inconclusive** (there is insufficient evidence either way);
    - **unsubstantiated** (there is sufficient evidence to show that the complaint is unfounded);
    - **mischievous, vexatious or knowingly untrue.**
  - provide a report to *[insert relevant person/tribunal]* documenting the complaint, the investigation process, the evidence,) and, if requested, any findings and recommendations.
3. We will provide a report to the complainant and the respondent(s) documenting the complaint, the investigation process and summarising key points from the investigation.
4. The complainant and the respondent(s) will be entitled to support throughout this process from their chosen support person or adviser (e.g. *[insert MPIO or other person]*).

## Attachment D4: TRIBUNAL PROCEDURES

---

We will follow the steps set out below to hear formal complaints made under our Member Protection Policy.

*[Note: NSOs must ensure that this procedure accurately reflects their tribunal rules and procedure, appeal tribunal rules and procedures, constituent documents, rules, regulations or by-laws. Any inconsistency between the policy and the NSO's other procedures is problematic and may mean the decision of a tribunal under this policy is invalid.]*

### Preparing for a Tribunal hearing

1. A Tribunal panel will be established, according to the rules set out in our constituent documents, rules and by-laws, to hear a complaint that has been referred to it by *[insert relevant official as per your Constitution or this policy e.g. CEO, Complaints Manager]*.
2. The number of Tribunal panel members required to be present throughout the hearing will be *[insert the specific or minimum number of members required as per your constituent documents, rules, regulations or by-laws]*.
3. The Tribunal panel members will be provided with a copy of all the relevant correspondence, reports or information received and sent by *[insert relevant official]* relating to the complaint/allegations.
4. The Tribunal hearing will be held as soon as practicable. However, adequate time must be provided for the respondent(s) to prepare for the hearing.
5. The *[insert relevant official]* will inform the respondent(s) in writing that a Tribunal hearing will take place. The notice will outline:
  - that the person has a right to appear at the Tribunal hearing to defend the complaint/allegations;
  - the details of the complaint and of all allegations, as well as the provision or clause of any policy, rule or regulation that has allegedly been breached;
  - the date, time and venue of the Tribunal hearing;
  - that verbal and/or written submissions can be presented at the Tribunal hearing;
  - that witnesses may attend the Tribunal hearing to support the position of the respondent/s;
  - an outline of any possible sanctions that may be imposed if the complaint is found to be true;
- That legal representation will not be allowed. *[The respondent may be assisted by a support person at a Tribunal hearing. For example, where the respondent is a minor, he or she should have a parent or guardian present. However a person cannot be a support person if he or she has been admitted to the practise as a lawyer or worked as a trainee lawyer.]* A copy of any investigation report findings will be provided to the respondent(s).
6. The *[insert relevant official]* will notify the complainant in writing that a Tribunal hearing will take place. The notice will outline:
  - that the person has a right to appear at the Tribunal hearing to support their complaint;
  - the details of the complaint, including any relevant rules or regulations the respondent is accused of breaching;
  - the date, time and venue of the Tribunal hearing;
  - that verbal and/or written submissions can be presented at the Tribunal hearing;
  - that witnesses may attend the Tribunal hearing to support the complainant's position;

- that legal representation will not be allowed. *[The respondent may be assisted by a support person at a Tribunal hearing. For example, where the respondent is a minor, he or she should have a parent or guardian present. However, a person cannot be a support person if he or she has been admitted to practice as a lawyer or worked as a trainee lawyer.]*

A copy of the investigation report findings will be provided to the complainant.

7. If the complainant believes the details of the complaint are incorrect or insufficient, he or she should inform the *[insert relevant official]* as soon as possible so that the respondent(s) and members of the Tribunal panel can be properly informed of the complaint.
8. If possible, the Tribunal panel should include at least one person with knowledge or experience of the relevant laws/rules (e.g. anti-discrimination).

### **Tribunal hearing procedure**

9. The following people will be allowed to attend the Tribunal hearing:
  - Tribunal panel members;
  - the respondent(s);
  - the complainant;
  - any witnesses called by the respondent(s);
  - any witnesses called by the complainant;
  - any parent/guardian or support person required to support the respondent or the complainant.
10. If the respondent(s) is not present at the set hearing time and the Tribunal chairperson considers that no valid reason has been presented for this absence, the Tribunal hearing will continue subject to the chairperson being satisfied that all Tribunal notification requirements have been met.
11. If the Tribunal chairperson considers that there is a valid reason for the non-attendance of the respondent(s), or the chairperson does not believe the Tribunal notification requirements have been met, then the Tribunal hearing will be rescheduled to a later date.
12. If the Tribunal chairperson wishes to reschedule the Tribunal hearing date, the Tribunal chairperson will inform the *[insert relevant official]* of the need to reschedule the hearing and the *[insert relevant official]* will arrange for the Tribunal to be reconvened.
13. The Tribunal chairperson will read out the complaint, ask each respondent if he or she understands the complaint and if he or she agrees or disagrees with the complaint.
14. If the respondent agrees with the complaint, he or she will be asked to provide any evidence or witnesses that should be considered by the Tribunal when determining any sanctions. *[Note: Ensure the Tribunal has the necessary power under your constituent documents to impose disciplinary sanctions.]*
15. If the respondent disagrees with the complaint, the complainant will be asked to describe the circumstances that lead to the complaint being made.
  - Reference may be made to brief notes.
  - The complainant may call witnesses.
  - The respondent may question the complainant and any witnesses.
16. The respondent will then be asked to respond to the complaint.
  - Reference may be made to brief notes.
  - The respondent may call witnesses.
  - The complainant may ask questions of the respondent and any witnesses.
17. The complainant and respondent(s) may be present when evidence is presented to the Tribunal hearing. Witnesses may be asked to wait outside the hearing until they are required.

18. The Tribunal may:
- consider any evidence, and in any form, that it deems relevant;
  - ask questions of any person giving evidence;
  - limit the number of witnesses (including limiting witnesses to those persons who only provide new evidence);
  - require (to the extent it has power to do so) the attendance of any witness it deems relevant; and
  - act in an inquisitorial manner in order to establish the truth of the issue/complaint before it.
19. Video evidence, if available, may be presented. Arrangements for the viewing of this evidence must be made entirely by the person(s) wishing to offer this type of evidence.
20. If the Tribunal panel considers that at any time during the hearing there is any unreasonable or intimidatory behaviour from anyone, the Tribunal chairperson may deny further involvement of that person in the hearing.
21. After all the evidence has been presented, the Tribunal will make its decision in private. The Tribunal must decide whether the complaint has, on the balance of probabilities, been substantiated.
22. All Tribunal decisions will be by majority vote.
23. The Tribunal chairperson may announce the decision of the Tribunal at the conclusion of the hearing. Alternatively, he or she may reserve the decision of the Tribunal at the conclusion of the hearing and deliver the decision at a later time.
24. The respondent(s) will have the opportunity to make submissions to the Tribunal in relation to any sanctions that may be imposed.
25. Within 48 hours of the Tribunal delivering its decision, the Tribunal chairperson will:
- forward a notice of the Tribunal's decision to the *[insert relevant official]*, including details of any sanction imposed.
  - forward a letter reconfirming the Tribunal's decision to the respondent(s), including any sanction imposed. The letter should also outline the process and grounds for an appeal, if allowed.
26. The Tribunal does not need to provide written reasons for its decision.

### Appeals procedure

*[Note: It is considered good practice to provide a process to appeal against a decision of a Tribunal. However, the grounds for an appeal should be specific; for example, they may be limited to a denial of procedural fairness or the imposition of an unreasonable penalty. The jurisdiction of the appeal body should be outlined in your constituent documents, rules, regulations or by-laws. Any inconsistency between the policy and the NSO's other procedures is problematic and may mean the decision of an appeal body under this policy is invalid.]*

27. A complainant or a respondent(s) may lodge with *[insert name of NSO]* an appeal in relation to the decision of a Tribunal] on one or more of the following grounds:
- 26.1 that a denial of procedural fairness has occurred;
  - 26.2 that the sanction imposed is unjust and/or unreasonable;
  - 26.3 that the decision was not supported by the information/evidence provided at the mediation or to the Tribunal Hearing;
  - 26.4 *[insert any other ground/s].*

28. A person wanting to appeal must lodge a letter setting out the basis for their appeal with the *[insert relevant official under your Constitution e.g. CEO or a Secretary]* within *[insert number]* days of the decision being made. *[An appeal fee of \$[insert amount] shall be included with the letter of intention to appeal.]*
29. If the letter of appeal is not received by the *[insert relevant official under your Constitution]* within this time, the right of appeal will lapse. *[If the letter of appeal is received but the appeal fee is not received within this time, the appeal will also lapse.]*
30. The letter of appeal and the notice of the Tribunal's decision (clause 24) will be forwarded to the *[insert relevant official or committee]* to review and to decide whether there are sufficient grounds for the appeal to proceed. The *[insert relevant official or committee]* may invite any witnesses to the meeting that he or she believes are required to make an informed decision.
31. If the appellant has not shown sufficient grounds for an appeal in accordance with clause 26, then the appeal will be rejected. The appellant will be notified in writing, including the reasons for the decision. *[The appeal fee will be forfeited.]*
32. If the appeal is accepted, an Appeal Tribunal with new panel members will be convened to rehear the complaint, *[and the appeal fee will be refunded].*
33. The Tribunal hearing procedure shall be followed for the Appeal Tribunal.
34. The decision of the Appeal Tribunal will be final and binding.

## Attachment E3: PROCEDURE FOR HANDLING ALLEGATIONS OF CHILD ABUSE

---

**If you believe a child is in immediate danger or a life-threatening situation, contact the Police immediately on 000.**

Fact sheets on reporting allegations of child abuse in different states and territories are available at [www.playbytherules.net.au](http://www.playbytherules.net.au)

We will treat any allegation of child abuse or neglect promptly, seriously and with a high degree of sensitivity.

All people working with *[insert name of NSO]* in a paid or unpaid capacity have a duty to report any concerns to the appropriate authorities, following the steps outlined below.

### Step 1: Receive the allegation

If a child or young person raises with you an allegation of child abuse or neglect that relates to them or to another child, it is important that you listen, stay calm and be supportive.

Do	Don't
Make sure you are clear about what the child has told you	Do not challenge or undermine the child
Reassure the child that what has occurred is not his or her fault	Do not seek detailed information, ask leading questions or offer an opinion.
Explain that other people may need to be told in order to stop what is happening.	Do not discuss the details with any person other than those detailed in these procedures.
Promptly and accurately record the discussion in writing.	Do not contact the alleged offender.

### Step 2: Report the allegation

- Immediately report any allegation of child abuse or neglect, or any situation involving a child at risk of harm, to the police and/or the relevant child protection agency. You may need to make a report to both.
- Contact the relevant child protection agency or police for advice if there is **any** doubt about whether the allegation should be reported.
- If the allegation involves a person to whom this policy applies, then also report the allegation to the *[insert CEO or other official]* of *[insert name of NSO]* so that he or she can manage the situation.

**Step 3: Protect the child and manage the situation**

- The *[insert CEO or other official]* will assess the immediate risks to the child and take interim steps to ensure the child's safety and the safety of any other children. This may include redeploying the alleged offender to a position where there is no unsupervised contact with children, supervising the alleged offender or removing/suspending him or her until any investigations have been concluded. Legal advice should be sought before any interim steps are made if the person is an employee of *[insert name of NSO]*.
- The *[insert CEO or other official]* will consider what services may be most appropriate to support the child and his or her parent/s.
- The *[insert CEO or other official]* will consider what support services may be appropriate for the alleged offender.
- The *[insert CEO or other official]* will seek to put in place measures to protect the child and the alleged offender from possible victimisation and gossip.

**Step 4: Take internal action**

- At least three different investigations could be undertaken to examine allegations that are made against a person to whom this policy applies, including:
  - a criminal investigation (conducted by the police)
  - a child protection investigation (conducted by the relevant child protection agency)
  - a disciplinary or misconduct inquiry/investigation (conducted by *[insert name of NSO]*).
- *[insert name of NSO]* will assess the allegations and determine what action should be taken in the circumstances. Depending on the situation, action may include considering whether the alleged offender should return to his or her position, be dismissed, banned or suspended or face other disciplinary action.
- If disciplinary action is undertaken, we will follow the procedures set out in *[Clause 9]* of our Member Protection Policy.
- Where required we will provide the relevant government agency with a report of any disciplinary action we take.
- **Contact details for advice or to report an allegation of child abuse**
