Mr G.R. Knight,

REDACTED

Dear Mr Knight,

Thank you for your letter in which you apply for the position of Director of Music at this School. I should be grateful to hear at your earliest convenience of any correspondence between you and the Board of Teacher Education which would establish for me that you are in fact eligible for registration as a teacher in Queensland.

As soon as I have your reply to this request I shall be in touch with you again concerning the possibility of an interview with you.

Yours sincerely,

G. A. Case  
Headmaster
