The Headmaster,
St. Paul's School,
Bald Hills,

Dear Mr Case,

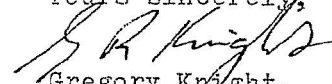

Thank you for your letter of the 10th December. You should by now have received a phone call from the Board of teacher education, confirming that I am eligible for registration in Queensland.

Upon receipt of your letter, I contacted Mt. Gravatt C.A.E., to confirm that I had graduated, for while I have received my results sheets, indicating the satisfactory completion of the course, I have yet to receive the certificate in the mail. I then contacted the Board of teacher education to verify that I was now eligible, as they had indicated I would be, earlier in the year.

The officer to whom I spoke is sending me a letter to this effect, and should you so desire, I will forward a copy of this, to document the phone call which I anticipate you have already received.

I would be grateful for the opportunity of an interview, and I am prepared to make the trip for this purpose.

Yours sincerely,

Gregory Knight.
