Dear Jacqui

**Re: St Paul's School
Re: Gilbert Case**

The Board has received a letter from Dr Coman in which he states that he received a fax from Mr Gilbert Case on 28 January 1997.

I have written to Mr Case, asking him for his response generally, which is now outstanding for a long time, but also whether he wrote such a fax and he has a copy of it.

I do not recall seeing any such copy fax in the files and could you check your own files and also perhaps enquire of Mr Yorke. The precise wording of Dr Coman's letter was,

"Copy of a fax sent to me when my office was in St Martin's house by Gilbert Case on 28/1/97 advising me about possible litigation relating to Kevin Lynch. This was the day before Kevin Lynch's funeral".

Thanking you in anticipation.

Yours sincerely,

Peter O'Callaghan
