REDACTED Qld. REDA

12th July 2001

Right Revd John Noble,
Diocesan Office,
BRISBANE, Qld. 4001

Dear Bishop John,

By now, Gary Hopkins should have been in touch with you with my crisis.

All this happened 30 years ago when I was in the Bank in Bundaberg but of course it concerned Cabs. The main complainant, BYK [REDACTED] is currently in Dalby (or was) as the [REDACTED] of the [REDACTED].

The charges read very badly. I must state categorically that all references to sodomy are not on. I have never committed sodomy on anyone, man or boy or female in my life and have never had it committed on me. I was deeply shocked by those allegations. Also the evidence from [REDACTED] (I think he calls himself [REDACTED] now) is also fabricated.

I am to appear at Magistrates Court No.1 on 25th July at 9 a.m.

Would the Church solicitors be able to obtain legal aid for me as the costs would be far above us.

I feel myself that [REDACTED] has gathered these others around him to really make a case of it.

My sincerest apologies that this has arisen at this time.

Yours sincerely,

(John Elliot)
