To whom it may concern,

This note is to state the illegal practice of Kevin Lynch, operating at St Paul's School.

How I became to see Mr Lynch.

It all started in grade 7 when I had a few problems with my Step DAD, AND I was told to see Mr Lynch. Mr Lynch said that I was extremely stretched, and that he had a relaxation tape that he would use on me. He said that he would undo my shirt, he asked if I felt safe, and I answered yes. The undoing of the shirt was so he could get to my shoulder muscles. However the next time it went further he opened... while on my pants and undid my zipper, once again he said do you feel safe... I answered No! But he said there was no need to be afraid as he wouldn't hurt me. This time he touched my penis, AND TOLD ME to suck my thumb, he said. When you suck your thumb, do you get a slight tingle in your penis. THIS CONTINUED FOR ABOUT SIX MONTHS. Then he started to play with my penis asking me if it felt good. This also happened for a period of about SIX MONTHS. By this stage I had all the buttons on my shirt undone and my pants ~~was~~ DOWN AROUND MY ANKLES. THE NEXT VISIT I HAD WITH DIFFERENT Mr Lynch told me I was so stretched that he would hypnotise me. I ALREADY AND SLEPT IN THE CHAIR. THIS TIME WHEN MR LYNCH GOT DOWN THE PELVIC AREA HE ASKED ME TO MASTURBATE. THIS WOULD BE THE FIRST, SO HE TOLD ME NOW HE ASKED ME DID I WANT TO? I SAID NO. HE SAID I SHOULD TRY AS I WOULD ENJOY IT. THIS ONLY HAPPEN TWICE. THEN HE WENT BACK TO JUST PLAYING WITH MY PENIS DURING THE RELAXATION TAPES. I thought all this was supposed to happen until I found out A FEW WEEKS AGO THAT IT WAS A CASE OF SEXUAL ABUSE.

CONDITIONS.

I MUST BE CONSULTED BEFORE ANY ACTION OR ANY OTHER PERSONS IS TOLD OF THE INCIDENT.

UNDER THE CIRCUMSTANCES WITH MY DADNESS I BE TOLD.
