Mr G.R. Knight,
c/o St. Paul's School,
BALD HILLS 4036

Dear Mr Knight,

Further to our recent discussions, I am writing to confirm your appointment as a permanent member of the staff of the School from the beginning of 1982.

You should know that your efforts to re-establish music as a viable department of the School are much appreciated, and that I look forward to continuing growth in this area over the next few years.

Yours sincerely,

G. A. Case
Headmaster
