Dear Robert,

Two matters.

DSC Rachael Gray rang today. I haven't been able to speak to her, but I gather she is chasing the statement. Anything from Minters yet?

Andrew Knox as Chairman of the School Council has asked for some briefing about what happened back in the 80s. He is sensitive to the issues, however, and does not want to end up in the possession of any piece of paper which would otherwise be prejudiced. He suggested I seek your advice about briefing him and/or providing him with a document such as I sent down to you.

He tells me that the School asked the police about writing to past students who may have been affected, but the police have replied to the School that the matter must be kept strictly confidential.

Gilbert
