Dear <sup>BYB</sup>

Re: Mr J L Elliot

I have just been informed this afternoon of the events that have occurred in relation to you and Mr Elliot.

As the new Archbishop, I express my deep sorrow at what you have suffered. I would like to support you in whatever way I can.

I offer to you the resources of the Church to care for you pastorally. In addition, the Church would like to help you arrange counselling and to meet the costs if that would assist. I can suggest a counsellor or you may prefer to choose one yourself.

Please let me know if you would like to take up any of these proposals or if there is anything else I can do to help.

Yours faithfully

The Most Reverend Dr Phillip Aspinall  
 Archbishop of Brisbane
