Dear Warren

This is a belated note to thank you most sincerely for undertaking that painful and difficult task in arranging for John Elliott to sign the Deed Relinquishing Holy Orders. I did appreciate the ready and pastoral way in you responded to this request.

I have given the completed documents to the Archbishop and he is checking as to whether one of the signed copies goes back to John (I think it does). Once this has been sorted out, I will be in touch again.

With much gratitude and all good wishes,

Yours in Christ
