CONFIDENTIAL

September 6, 1995

MEMO: to GWH, RWMR, MJL, KJL, Students' files.

For reasons which I do not wish to state here, BSB (8 - T) and BRC (8 - H) are not to approach the Student Counsellor (whoever that may be from time to time) unless they first make an appointment with the Counsellor through the School Chaplain.

This should in no way inconvenience them or breach any confidentiality.

Housemasters: are asked to spell this instruction out to the students concerned.

Any problems/dissension/feedback please directly and urgently to...
