Dear Mr Elliot

Thank you for your letter of 6 October 2008 advising of your change of address.

I am pleased that you have located to another parish which will be as supportive and caring to you and Mrs Elliot as Maroochydore parish.

You will appreciate that I will now need to contact the Revd [REDACTED] at [REDACTED] and set up an Agreement similar to that which was in place in Maroochydore. I am confident that this will present no difficulty as I understand from the Revd Warren Darnley that you consistently met all the requirements of the Agreement.

I will contact [REDACTED] in the next week or so.

Yours faithfully
