Dear Stewart

I am writing in relation to allegations of sexual abuse made by Mr ^{BYG} against Mr Lewis Daniels.

The circumstances are that ^{BYG} was a member of the Church of England Boys Society [CEBS] in the 1980s in Tasmania when he was sexually abused by Daniels.

The allegations have not been made by ^{BYG} but by his aunt - ^{REDACTED} Both Miss ^{REDACTED} and ^{BYG} now live in Brisbane.

As you would be aware, Daniels was convicted in 2005 of a number of offences of sexual abuse and was sentenced to twelve months imprisonment.

If you would like any further information about this matter, please contact me.

Yours faithfully
