

Tuesday 12 March 2002

c. 8.30 @1d time PA telephoned + left message on answering machine  
short time after [REDACTED] returned call.

[REDACTED] informed PA that [BYF] had gone into hospital at  
Perth Clinic again last night

[BYF] was distressed because he didn't think he needed to  
but today after a therapy session was more settled  
and realised he needed some support and space at present

[REDACTED] indicated [BYF] would still like to see PA on Thurs  
14 March if possible.

[BYF] was now in city and near Wollaston College  
PA to ring [BYF] at Perth Clinic and arrange to meet  
on ~~Wed~~ Thursday evening.

Notes made
