

Wednesday 13 March

BYF [] telephoned in the evening Q'd time.

Said he had been contacted by Beryl Carmichael from Tasmania. She had been very supportive and helpful.

She referred to complaints about 3 people in [] letter

BYF [] said that he queried that. He understood he had complained about only 2 people - Daniels and Hawkins.

Beryl said she read the letter to mean there was also a complaint about PA.

BYF [] said that he had not intended that and did not wish to make a complaint about PA.

BYF [] asked what PA's job was in 1982.

PA replied 'Youth and Education Officer'

BYF [] said 'That's interesting. That's very interesting. So you were an official of the church, not just a friend.'

PA said 'That's right.'

Arrangements were made for PA to visit [] at the Perth Clinic when in Perth the following evening.

BYF [] took PA's meal order over the telephone so they could have a meal in the hospital dining room.

BYF [] explained that Beryl Carmichael had said [] should always have another support person with him whenever she rang, and she would have a person with her too.

BYF [] had also been advised that he should have a support person present when I visited him.

BYF [] also spoke about a 2nd attempted disclosure to PA at Monty. Per
Apparently [] had called out in sleep one night 'No. No.' PA had
commented on this next morning. [] said something
Notes made like 'You know I warned you about Garth Hawkins'.

Sat. 16/3/02 PA did not pick up the cues.

+ PA. PA said he had no recollection of any of these events.
