Radar now toned in.

Consequences of abuse

- no longer in pastoral responsibility positions, can't continue

May have missed signals, cues in past.  
Everyone does. Can't always pick a pedophile,  
no one can. But antennae are now much more  
acute and alert

Requested

- no contact with Harrower
- no contact with Daniels  
or anyone else in Tasmania re this
- no contact with <sup>BYF</sup> [redacted] until after  
investigation
- questioned whether PA should send letter  
to <sup>BYF</sup> [redacted] indicating that he should feel free  
to make complaint  
DEREK C. SEAR C.A. to make complaint  
against PA if he wished to. BC going to speak  
with Andrew Mills re that & get back to PA.
