

BYF

REDACTED

visited Bishopscourne for lunch Sunday 9 June 2002

During lunch [BYF] raised matter of Hawkins tribunal.

BYF

said that he had not been invited on the planned sailing trip on Hawkins' boat from Triabunna

He had 'dropped in' with a young woman (REDACTED) to introduce her to me (PA). Decided to stay that night at the Rectory. The woman stayed in a spare room.

BYF

made several references during the lunch to PA wearing a purple shirt and being 'a big man'. Not sure what he meant & didn't pursue it.

BYF

indicated that even if Hawkins is deposed from orders (and Daniels is too) it really doesn't mean anything at all since H. is retired anyway & [BYF] would still be able to go on working in University

BYF

asked PA if he thought [BYF] should raise question of compensation with Bp. of Tasmania. PA said that if it was on [BYF]'s mind it might be a good idea to raise it rather than wait for John Aarvanger to raise it. Waiting could lead to further frustration, disappointment and anger for [BYF] if there is a delay or if JH doesn't raise the matter
