Pursued matter of Daniels

Hawkins had left Tasmania

Spent some time in WA with Robert Fry

Telephoned Clifford admitted on 'phone that I'd done wrong thing'.
Clifford told PA that he hadn't but that he would tell the police about this.

Daniels.

When [REDACTED] was about 14 years old told Clifford that Daniels had asked him to get into bed with him.

Clifford told him not to & tell Daniels that he wasn't interested. - Regrets not following that up with [REDACTED] now. Clifford had told Police this

PA suggested that Geoff Clifford report all he knows to the police and also to Bishop of Tasmania.

Clifford couldn't really remember [REDACTED]

Vaguely remembered name but couldn't really place him.

Couldn't remember any trip when PA had been on boat, nor [REDACTED], though Clifford had been on boat & Hawkins on numerous occasions.
