Re: our earlier conversation.

I have received a file from the Tasmanian Police requesting that I obtain a statement from Archbishop Phillip ASPINALL.

The matter relates to incidents that occurred in 1981 at East Devonport, Tasmania and January 1982 at Triabunna, Tasmania.

The complainant in this matter is BYF The suspect in this matter is ex-Reverend Garth HAWKINS.

These matters are of a delicate nature and may be unsettling to Archbishop ASPINALL.

It is requested that Archbishop ASPINALL attend Task Force Argos Offices and supply police with any information that may be of assistance to Tasmanian Police who are investigating the matter.

If I can be contacted on REDACTED we can make arrangements for Archbishop ASPINALL to attend Task Force Argos offices at Police Headquarters.

I would think that the details of this statement would take two to three hours to complete.

Thank you for your assistance in this matter.

Yours truly
