Dear Ros

Could you please forward to Archbishop Aspinall the following response from Justice Olsson and Dr Chung of the Board of Inquiry:

"Thank you for your e-mail received this morning. I write to advise that the report of the Board was delivered to Archbishop George this morning and that Mr Witham's tour of duty with it has concluded. Please accept the apologies of the Board for failing to send a copy of the transcript to you. This was an oversight which has now been rectified. Having regard to the conclusions to which the Board came, as expressed in its report, it did not consider that there was any aspect that called for further reference to Archbishop Aspinall. At this stage the report is confidential to the Archbishop George and the Council of Synod. It is assumed that, if it is publicly released, a copy will be made available to Archbishop Aspinall."

Regards
Tracey Quigley
