Dear Richard

I have had a call from Rachel MacKenzie.

Paul Hersbach has contacted and wants to go back to counselling with her. Previously he attended at her rooms in Mount Waverley where Rachel works on a Tuesday. He now works in the city. He wants to see Rachel closer to work.

Rachel is seeing [redacted] here on a Friday. She is asking if she can see Paul here on a Monday.

I have said I will contact you re any issues around the role of Carelink and EHPS and that she or Paul may need to sign a document that says whilst she is seeing people in the Carelink offices she is an independent practitioner.

Thank you for your thoughts on this matter.

Sue
