Dear Joe

REDACTED

Returning to Foster, I have attached for your consideration a table of associated costs, counselling, travel, medical and pharmacy. As you will see this has been an expensive exercise. At one stage we were meeting all the family's pharmacy expenses. Fortunately, the terms of our final agreement put an end to that.

I have seen Richard Leder's email to you of 19/12/2006. I will rely upon Richard's submission to you concerning the Foster's costs and have not separately forward to you the details. I note that he has forwarded you Corrs' costs. That leaves counsel's costs (including O'Callaghan) which, I assume, will be calculated according to our formula.

Let me know if there is anything else you need. Thanks once again for the \$375,000 in respect of the Foster settlement. Archbishop Hart also offers his thanks.

Many blessings for Christmas.

Yours sincerely

E. W. EXELL
