Dear Father Augustine,

I enclose for your information a copy of the latest report on Gerry Ridsdale. Rather than put you to the trouble of returning documentation, I have taken a copy of the original which was forwarded to me from Jemez Springs. I am returning the original and would ask you to destroy the copy on reading it. Of course, should you have any observations to make, then I will happily pass them on to Father Lechner, the Director of the Villa Louis Martin.

With many thanks and best wishes,

Yours sincerely in Christ,

Bishop of Ballarat
