

Client Name: Client No.:

File note of Meeting Phone Interview Other

Date: 26-2-08 Time: 10:30 am/pm

Between: MW + John Dalzell, Grrs
And:
Subject(s): Ellis +/ Jones + Goodall

KEY ISSUES:

- discussed draft letters to Beggs + Associates. Agree with comments made re: legal position but we need to be extremely mindful of Ellis' state of health.

Preferred course of actions:

- ① Seek an update from Dr Funnell re: Ellis' current state of health
- ② If Dr gives OK then proceed to ask Ellis' (via letter to his soli) about his financial situation + capacity to satisfy costs order. We do not want to proceed with a formal summons for oral examination
- ③ Schedule teleconference when we have Ellis' financial info to discuss next step - possible instalment agreement?
- ④ MW suggested draft letter should be 'toned down' a little as it is a communication to be sent on behalf of Church - JD agreed, he conceded it was drafted at a time when he was 'fired-up'

FOLLOW-UP ACTIONS

Also requested JD get Archdiocese's consent to letter being sent, once amended.

Jones v Goodall
- set for trial in June. Trial preparations complete.
