Subject(s): Ellis v Arch of Sydney

KEY ISSUES:

- discussed current position re: costs recovery from Ellis.
- JD has written to David Begg and asked if Ellis is receiving any treatment, also requested copies of medical reports from treating doctor - has not yet received a response to this letter. I requested JD provide me with a copy of the letter. At present CCI do not want to take any steps which exacerbates Ellis' condition. On the basis of the information presently available, there doesn't appear to be any good prospects of recovery, CCI does not want to pursue recovery if there are no prospects of recovering anything and it leads to self-harm on part of Ellis.
- also raised Fr. Lucas' comments about appeal fund - JD advised that appeal fund is relevant to Ellis' costs only - he applied to the Court for a Certificate and at end of Appeal - it was granted, but only in limited circumstances and applied to Ellis' ~~part of~~ ^{costs} costs. Doesn't have any impact on costs recovery ^{settled by client} by Arch of Sydney.
- Suggested we wait for a further week to hear from Begg, then if no response - convene a teleconference to

FOLLOW-UP ACTIONS

discuss next step. JD agreed with this
