INTER – OFFICE MEMORANDUM

DATE: 10th June 1999

TO: Paul Reynolds

FROM: Laurie Rolls

SUBJECT: Archdiocese of Brisbane – Frank Derriman and Joan Isaacs

Paul,

My last communication in this matter was my memo of 13th April.

I now attach copy of my letter to Bishop Gerry of 19th April written under your guidance.

You will also find copy of a letter to me from Father Adrian Farrelly dated 21st April, together with draft letter for Bishop Gerry addressed to Joan. I instructed Bishop Gerry to remove from that letter the sentence marked.

Meanwhile Pat Corby has placed the QBE on notice and has sent a letter to that company dated 27th April addressed via CCI as arranged with you. I presume you have copy of that letter on file.

Father Farrelly has now sent me copy of his notes of the meeting with Joan Isaacs which I enclose to keep your file up to date.

I am informed by Pat Corby he has had no response from QBE to the notice previously given. He will raise the matter again when writing about other matters in which they are said to be involved.

The file number for Derriman is 67001.
