Details of alleged Incident A sexual relationship is alleged between the priest and the complainant when she was 14 years of age, continuing until she fell pregnant at the age of 18 years, when the priest went through a civil form of marriage with the complainant. Three years later, the complainant left the priest, and the parties never cohabited again. Complainant is seeking financial assistance with health costs, travel costs, legal fees. Solicitors wrote to complainant's solicitors denying liability.

? Dominan
