RE: MARIST BROTHERS ats ^{CNK}

Attending today (8 June 1995) on Brother Patrick.

He received a phone call this morning from ^{CNK} again indicating that there must be a meeting involving ^{CNK} and Brother Patrick only.

The indication is that ^{CNK} has other students from his class who are prepared to support him in legal action against the Brother.

The problem apparently occurred at Hamilton in 1974.

The Brother has no memory of difficulty with this person, but concedes that there may be people who have a cause for complaint against him.

I have indicated that it would be most unwise for the Brother to meet with ^{CNK} ^{CNK} is to be given our details and told that we are ready to talk to him about the matter, but this must be done in a formal setting, perhaps with a Mediator.

My suspicion is that ^{CNK} is looking for some form of admission or corroboration.

^{CNK} apparently rang from Brisbane this morning, but would not leave his details.

He is ringing the Brother again tomorrow.

The Brother will then ring me.

At this stage the Brother will indicate that he has taken legal advice and that he has been advised that it would not be appropriate for him to engage in any meeting directly with ^{CNK} on this issue at this point in time.
