Dear Mrs. O'Donnell,

This note is to let you know that we have sent a note to both Mr. Atherton and Mrs. Furlong expressing our desire that our children, REDACTED and REDACTED who are in their classes, only attend Reconciliation today if it is held on the altar and not in the privacy of the confessional. Furthermore we would like to express our wish that in future any contact the children have with Father Baker is to be with a supervising adult in full view.

We are happy to discuss this matter with you further if you desire.

Yours faithfully
