Dear Mr. O'Callaghan,

Please find here with the medical report from Monash Medical Centre in response to my letter (also herewith) - the two must be read in conjunction with each other as Monash confirms what is said in my letter without stating it in full in their report.

As discussed yesterday here are  
the details of the Police Officer Emma  
Saw Thurs. 24th April 97.

Sen. Const. Mark Dometti,  
Prahran Community Policing  
Squad 95205233.

The charge was listed as:  
'Sexual Assault against a child  
under the age of 10.'

What was discussed with this  
Police Officer was private and  
no one else, including ourselves,  
knows the content of this  
conversation/disclosure - Please  
treat it with privacy, for Emma  
sake, and respect.

Sincerely, Chris Foster
