Dear Peter,

Thank you for your letter dated 28th April and copy of 'Report to Compensation Panel Re Emma Foster' with Annexures A-F. Both Anthony and I have read through them. I have made some corrections indicated with an asterisk (*) in the side column and each change is initialled.

One further report which I feel you need to include in your submission to the Compensation Panel is a report from Mr John Boyle, Psychologist. Emma first saw Mr. Boyle on 20th of March 1998. This was a very positive event for Emma being the first time Emma was happy to speak to a psychologist. As a result Emma has been seeing Mr Boyle once or twice a week since late March. (Emma no longer attends the Albert Road Centre for Health)

I have been told seperately, by both Emma and Mr Boyle, that Emma has been discussing her sexual abuse in these sessions. During April, I passed on this information and Mr Boyle's details to Ms Sue Sharkey of Carelink for her to obtain a report on Emma. Whether Ms Sharkey has done this or not I do not know. You have our authority, Anthony, Chris and Emma, to obtain a report from Mr Boyle. His details are:

John Boyle & Associates,
Psychological Solutions,
P.O. Box 414,
Bentleigh, 3204.

Ph. 9557 9988 Fax 9557 1356

Also attached herewith is Emma's signed Application For Compensation Form, as requested.

Hoping this letter finds you in good health.

Sincerely,

Christine Foster
