Dear Sue,

Re: Emma Foster

I refer to the authority of the parents to provide relevant documents to you and set out hereunder list of documents forwarded herewith.

1. My letter to Mr A Foster, 19 December 1996.
2. Bundle of medical reports being annexures A, B, C, D, E and F to my report to the Compensation Panel (see below), the contents of which I believe are self explanatory.
3. My letter to Dr Lapin of the East Bentleigh Medical Group, 22 April 1997 (the contents of which I believe are self explanatory).
4. A draft of my report to the Compensation Panel, again the contents of which are self explanatory, and in which there is reference to the various reports and also the report of my conversation with Snr Const Domchi.
5. A chronology of doctors' appointments etc and programme attendances for Emma and parents prepared by Chris Foster.
6. A cognitive assessment report of October 1997 by Katie Wood. (I believe that you already hold this report and have accordingly not annexed a copy. If that not be the case, please advise.)

7. A chronology of contact with police by A and C Foster re Emma Foster.
8. Extract of diary entries prepared by Chris Foster. (These are apparently relevant extracts from the diaries.)
9. Extracts of Emma's diaries provided by Chris and Anthony Foster. (These are extracts from a bundle of diaries which were provided to me in a box. I made copies of the above, and the balance were returned to Chris Foster.)

Kind regards.

Yours sincerely,

Peter O'Callaghan
