The attached material "de aliquo parrocho" was handed to me by Fr. Mark Reynolds of the C.E.O. - This morning at about 11.30.

I discussed the matter with Mr. Deakin.

I have advised Fr. Reynolds that he continues to monitor the matter through the normal channels of the Office.

The sentence at the end of the second line of the second par. of the "full" page needs clarification - if this can prudently be done - I will mention this to Mark.
