

Father had been hitting people in the gut, head, neck, stomach. He hits you hard as he can. He siade if you don't what to serve in front of Mr. Adams and know he siade that you are bad. You are being bad to god.

Father gives me the no feeling when he touches me. Once I went serving and father hit me in the neck. And once father felt me. I thick father is gay. I recon his will start to feel us all over. I should have not served but father pushed me to serve. If I never served this would never happened to me or the order boys that this is happening to them to. Next year father will be picking on the other boys.

Last term on the holiday's father rang me up and told me to come and serve so I had to and about 4 weeks ago father came to my house and started talking to my parent's and he was liing. Maybe this holiday father is going to ring me up and tell<sup>me</sup> to serve. And last of all father calls me ( a play on his name ) and I hate it.

HOW I FEEL ABOUT FATHER ; I recon father is gay he hits us he digs his hands in your side he grabs you around the neck. Soon he will be feeling us all over. It was my mistake to start serving. I should have known. He is really starting to get to me I am going to bring a egg tomorrow with no fail. I want to go talk to him and say FATHER YOU DO ANYTHING TO ME AGIAN AND YOU'LL BE SORRY. If he does anything to me agian I'll get my brother to have a BIG talk to him. Father let off my mum about \$ 120 dollars he told my mum to tell me to serve. But my mum said she thinks that I should serve because father let us off money. Thats what she said that but I think Father said that. Father rang me up twice both times to tell me to serve. I think that we should replace him.

I HATE FATHER PETER

When I was serving father Peter use to hit the servers on the back, on the side of the ribs, in the cheast, on your head.
