I, Jan, Theodora van der Werff of [REDACTED] Doreton
 will try to explain, what have happened at our last
 year, 1985, Christmas Dinner of the Holy Family Bingo.
 After setting up the hall, me, my wife Anna, Friends,
 Mrs van Aaren and husband, and friend Jack, who worked
 hard from 9 a.m till just finished at 11:30 AM. for enough
 time to change.

My wife Anna, Mother of 8 children and Grandmother of
 17 grandchildren was disturbed because Father Pearson
 of the H.F. Parish has thanked all the people for their
 work for the Bingo and she found the work with her husband
 me, Jack, her, and friends, who have helped us for 6 1/2 years
 for the Bingo have had done as organizers and work for
 the kitchen at Bingo sessions, and were not mentioned
 at his talk. She mentioned to him and told him this.
 After walking away from him, he, Father Pearson grips her
 by her arm, pulled her around and told her, she,
 my wife, was a silly, stupid, Rude woman, in front
 of our friends. My wife was shocked and very disturbed
 and our club of friends were shocked.

After worked there for 6 1/2 year a couple of 12 hours
 weekly + storing of material with the two of us,
 my wife and me + using car (petrol & depreciation) volunteer
 ever got a bit of appreciation from the clergy but then
 this, the priest has been lucky, he was going after I pointed
 out, some one stopped me, I would have clubbed him.
 no body will hurt my wife physically or mentally without
 see next page.

my to react violently.

They can my names, it wont hurt me, but do not hurt my wife.

She comes out a family with 4 muns in it and one brother, has been a very devout catholic and a sof wife, mother and grantmother.

The money wick has been paid to me for cleaning up and putting things away has been paid for and so people who came in after the bings sessions because no help has been given by the parishioners. Also in the contract of the hire of the public Hall state, the cleaning up. has to be done, before closing up.

○ has been giving a cheque of 75 dollars.

I have paid out \$77.-

This means \$2.- out of my own pocket.

I have explained to the organisers of the Bings the whole list of work wick has been done for this money and wanted a gratuity of the Priest, wick has never been given so, after 2 weeks waiting, I have finished with the Bings and the Holy Fam. Church I have been here in Dorset 30 years. One of the longest parishioners. Have been in his school buildings committee, Church buildings committee. Has been the first one to read the epistle at the church but not more

Yours Truly.
