

Hit me on head with candle snuffer.  
Poked me in the chest a few times.  
He is Old-Fashioned

He forced me and other kids to pray  
with him and then tried to force me  
to serve which I did not do.

His homilies are dull and uninteresting.

~~He forced me to go to Holy Family while Fr. Season~~

I refuse to go to Holy Family while Fr. Season  
is there because he gets at people in his  
homilies and (which are directed at adults  
and nothing to do with kids) I do not like  
him because he tries to force people to  
do things the way he wants it. I'd rather  
do something else somewhere else.
