Dear Sir,

My name is Mrs Kathy Buckley and I am a member of the Holy Family Parish in Dooeton. I also have a child at the Parish School. Last week our principal Mr. Graeme Sleeman gave his resignation to our parish priest, Mr Searson; because of many parish difficulties.

The parents of pupils in the school are very upset as Mr Sleeman is a fantastic principal and a friend to all.

I am asking you to help us to resolve this problem as many parents unfortunately feel that they would rather have the principal than the priest!

Yours sincerely

Kathy Buckley.
