I know you are aware of the problems we face at Holy Family Dorseton.

It horrifies me to know our children are feeling it almost as much as the rest of us.

My Eldest Son refuses to call Father Seanson by that title. My son is 13 yrs old and
 ○ ~~refers~~ to the man as Mr. Seanson.

I worry that if the situation goes on any longer our children will lose what faith we have tried to foster in them, for I know that this situation has really put a strain on my faith, if it wasn't for the children I am afraid I would have just given up. But at the moment I feel why should that Man drive me away from
 ○ something I hold dear. He has already driven me away from my own Parish Church, and I will NOT return until things have changed.

hoping for a quick solution
