Re: _____

Conference Court Phone To Phone From Other

I was ~~John's~~ assistant from June 91
until his ~~death~~
Then stayed in the past

I did speak to Deakin on a no of occasions
4, 5.

Various matters re Whippiness

- my he treated children, women, me
- he was an above priority

I felt his behavior and child abuse
inappropriate. I made a specific statement

Deakin asked me if I had witnessed
anything. I said no.

What was your concern? He would focus on
a couple of kids at a time.

I did speak to my parents at the time

I had a gut feeling all over at night.

He gave lots of \$. There was a teenager who
seemed to control him

I'd have to say I did suspect anything serious, esp
when he took a lot to do.

Re: _____

 Conference Court Phone To Phone From Other

I captured Kevin on his attempt to take
but it didn't go down well.

I had no proof, but I felt that at the
least he was putting himself in a vulnerable pos.

I did not believe the allegations by the fosterers.

- I they were girls
- Kevin had a woman
- He was a stocky misogynist.

The rest of by the grandchild funds was not
just an offer.

Also too young.

Discussions - Debra - not much happened. I remember
sitting at the table they said she to see Kevin &
wasn't in. Then he ret^d. My understanding
is that it was a forced admission. I know he was not
happy, but returning.

Anna Foreman - patch re 2.

Anna - housekeeper - living in room in Outlets.

As she was angry at Kevin's violence towards her &
the dog, but ? didn't admit what was going on.

Re: _____

Conference Court Phone To Phone From Other

Didn't tell Phil O'Donnell but he would know
about it ~~the~~ via others.

→ We had the Martins from Gladstone Park as
mutual friends

I recall him saying me to ask if it was true

I don't recall any girls in the party.

But he did like to be out of class, but usually
other boys

Foster: They are best friends in the Congregants. Foy was there
a bit. Foy's brother was deceased, also a way
about him. Families covered close friends even after
Foy's brother's death. Family v. supportive when Mr F's
was in trouble.

Two Eboli - Oct/Nov 1991 O'Donnell took her
to Qld. About that time I decided to
stay with her in late 91 or early 92, to Hilton

↳ a boyfriend in the U.K. Got a car
before leaving via Q.
