Dear Sir

RE: FOSTER & ORS. – V – NOREEN HARRISON AND OTHERS

We refer to previous correspondence and the discussion on 24th June and advise that we have instructions from our clients to resume discussions by way of mediation. If you are agreeable to that course then we would suggest that Mr D Curtain QC be appointed as the mediator. We should be pleased to receive your client's attitude to proceeding by way of a formal mediation at this stage and, if it is agreeable, whether it will consent to Mr Curtain being appointed. We have not approached Mr Curtain at this stage and do not know his availability.

Yours faithfully
WILLIAMS WINTER

M.E. JORGENSEN.
