## SPECIAL ISSUES

Further to Richard's conversations with Ted last week, we enclose a copy of his notes of the matters discussed at his recent meeting at Carelink with Professor Ball and Sue Sharkey.

As you will see, the discussion was wide ranging.

We will contact you separately in relation to the Fosters and the Medicare issue. Further to Ted's fax to Richard of Friday, we note that nothing further is required of us at this stage in relation to Sue Sharkey's contract.

It does seem to us that the Helen Last issue continues to drag without resolution. Richard will speak with Peter O'Callaghan, and we suggest that we then settle on a firm strategy.

S O L I C I T O R S

As appears from the enclosed notes, we were not previously aware of the recent developments in relation to the national treatment centre for priests. If you have any additional information, then Richard would be interested in reading it. We are certain that it would also be of great interest to Peter O'Callaghan.

Please do not hesitate to contact Richard if there are any matters that you wish to discuss.

Kind regards

Barry O'Callaghan
