TO WHOM IT MAY CONCERN

I have known Garry Ridsdale for the last two years while he was associated with pastoral work among people with drug and alcohol problems.

San Miguel is a refuge for such problems and in this area I often consulted him on matters relating to our clients.

I found him to be most reliable with the clients, very accurate with his opinions of their problems and most approachable with helping them solve their problems.

Never at any time during these two years when he was an advisor to San Miguel did I have the least worry about the matter he is at present going through in Victoria.

I hope this short note can be of use to you. Please do not hesitate to call on me if you need any further explanation of this letter.

Yours sincerely

B Finbar Kelly F.S.C.
