Mr A W LeP Darvall  
 GPO Box 9925  
 Melbourne Vic 3001

Dear Mr Darvall,

I refer to your letter of 23 April, 1993.

I need to tell you that I am a Pastoral Counsellor, and Therapist.

I have a Master's degree in Pastoral Studies from the Loyola University of Chicago. I graduated in 1981. Since that time until the present, I have been in the practice of counselling, in Chicago and in Sydney. My interests are in lecturing in the field of Stress Management, and in the teaching of Assertiveness Training. I have been in constant clinical supervision since my graduation in 1981.

Prior to this, I was a Headmaster of private schools. I have a B.A. in Education, including a major in the psychology of education, and an incomplete M.Ed. with a major in Child Psychology.

I am currently upgrading my qualifications to qualify for registration as a psychologist in the State of New South Wales.

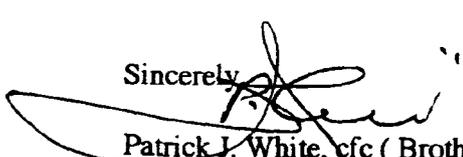

I do not have any specific or expert knowledge in the treatment of sexual deviation.

I dealt with Father Ridsdale on his request in a supportive, and not in a clinical way. My letter to you of 15 March outlines the conditions on which I agreed to see him, and the subsequent manner in which I continued to support him.

I am engaged in my own business on the day in question, May 27th, 1993, and a trip to Melbourne would be inconvenient.

I believe that my letter of 15 March would be the best support that I could offer Father Ridsdale.

Sincerely,

  
 Patrick J. White, cfc ( Brother )

I am not a priest. I am a Brother of the Congregation of Christian Brothers.
