Dear Rabbi Feldman,

**Case Study 22**

The Royal Commission is seeking information from certain institutions which have been the subject of a previous case study. The Royal Commission wishes to examine actions taken by institutions, after the public hearing, to enhance the safety of children within their care, to improve the effectiveness of their responses to reports of child sexual abuse and to alleviate the impact of past and future child sexual abuse within those institutions.

It is acknowledged that the report of Case Study 22 is not yet published.

As you are aware, the Yeshiva Centre Chabad NSW Headquarters, Yeshiva College Bondi and associated institutions (**Yeshiva Bondi**) were examined in Case Study 22, in a public hearing held in Melbourne in February 2015.

We request that Yeshiva Bondi provide a written response to the matters broadly described above, and to the specific matters set out in Annexure A.

The Royal Commission will issue a notice requiring the production of your response, together with all supporting documents, returnable on 30 September 2016.

Please do not hesitate to contact me or Sifa Mtango on 02 8282 3941 or by email at [sifa.mtango@childabuseroyalcommission.gov.au](mailto:sifa.mtango@childabuseroyalcommission.gov.au) if you wish to discuss this matter further.

Yours sincerely,
