MEMO

TO: SECRETARIES
ALL AFFILIATES & ALL QJC ZONES.

FROM: GRAHAM DIXON
CHIEF EXECUTIVE OFFICER

RE: CHILD PROTECTION POLICY

DATE: 12 DECEMBER 2003

Queensland Cricket has been reviewing the formal processes that are in place in our sport throughout this State to address the above very important issue.

I am aware that the season is well underway with considerable planning completed and arrangements in phase for various competitions, carnivals and championships to be played.

However, I strongly urge all clubs, associations and zones to review their process to take into account the attached policy.

This policy is the first stage in providing assistance to affiliates on this issue. Cricket Australia is setting up a working party to gather information, check on "gaps" in our system and address the ability to apply any recommendations. Queensland Cricket is working on a handbook to cover the roles and responsibilities of the coach, manager, parent, umpire, volunteer etc.

Your input is welcomed and your co-operation sought in addressing this issue to ensure participants in our sport complete in a safe environment.

GRAHAM DIXON

Chief Executive Officer
