Dear Fr Vaughan

I know that, after my letter to you, Fr John Nestor celebrated a public Mass in St Thomas More Church, Ruse, on Sunday, 25 January 1998 at 8.00 am. As a result, I repeat my direction that this not happen.

However, this time, I emphasise how dangerous your actions have been. They cause difficulties for our particular church, they are unhelpful to Fr Nestor's cause, and they place you in a situation in which you are acting contrary to my directive.

I ask you, again, to ensure that this does not recur.

Yours sincerely

Most Rev P Wilson DD JCL  
BISHOP OF WOLLONGONG
