Dear John

Some weeks ago I contacted you in relation to information received by Bishop Ingham that suggested Fr John Nestor had been ministering in the Archdiocese of Sydney, supplying for a priest on leave. You were going to speak with the priest concerned when he returned from holidays to check whether the information was correct or not.

I would be grateful if you could let me know the outcome of your inquiries. As you are aware, Fr Nestor is not permitted to minister, pending the resolution of matters against him.

Thank you for your assistance.

With sincere best wishes

Moya Hanlen OLSH
