Dear John

Thank you for the discussion of issues we had when we last met. I left with two tasks and can now report on them.

I spoke to Fr Williams about the matter you mentioned. He assured me that what was said privately, he would not speak of again.

I have thought much about the questions you posed concerning the actions of some clergy and people in the diocese. I assure you, as I wrote to you before, that these matters will be the subject of a canonical investigation after the current criminal action ends. However, I am concerned about your capacity to present a proper defence at your next court appearance. Therefore, I think it best for you to use the facilities of the law to discover the truth. If you have to do that by placing persons and documents under *sub poena*, so be it.

I am sorry that I have made no further progress with the matter of alternative accommodation for you.

With prayers and best wishes

Yours sincerely

+ Philip .
